Climate: creating a new story for Banyule

Mary Stringer – Transition Banyule
We are on a path to an \textit{existential crisis}.

"Outright chaos"

"Incompatible with organised global community"

"Extremely dangerous" boundary

Arctic sea ice & West Antarctic ice tipping points
Transition to a Safe Climate: local conference

Transition to a Safe Climate: creating a new story for Banyule

Friday 4 May 7pm:
Ian Dunlop on Emergency action in the face of Climate Change
Think Global: a leading climate expert and former senior executive in the international oil, gas and coal industry will set the scene.

Saturday 5 May 9am - 5.30pm:
Act Local: like to do something concrete with others to tackle climate change? A full day workshop to develop big ideas for community projects in Banyule.
Parents: we encourage you to attend - art program for school-age children and child care for under school age children – limited places, book early.

Bookings essential at https://www.trybooking.com/TYIN
Full conference $25, or Fri $15 per person.

Enquiries: info@transitionbanyule.org.au or Mary on 0431 026 723

Sponsored/organised by:

Supported by a Banyule City Council Environmental Sustainability Grant
RISK AND CLIMATE POLICY

We are on a path to an **existential crisis**

"Extremely dangerous" boundary

"Outright chaos"

"Incompatible with organised global community"

Arctic sea ice & West Antarctic ice tipping points

Ian Dunlop/David Spratt July 2017
CLIMATE POLICY

Carbon crunch

A yawning chasm between Paris rhetoric and reality

Our Future

Following the Banyule cc 2018 Declaration of a Climate Emergency a broad and diverse Banyule community developed mechanisms for a Sustainable future in a shared language enabling the emergence of a thriving, regenerative community who are recognised as a global exemplar of living kindly, treading lightly and replenishing the Earth.

We now all share a deep satisfaction that we, as humanity, will be O.K.

Principles
- Inclusive of all people, all species, all generations
Following the Banyule City Council 2018 Declaration of a Climate Emergency a broad and diverse Banyule community developed mechanisms for a sustainable future in a shared language, enabling the emergence of a thriving, regenerative community who are recognised as a global exemplar of living kindly, treading lightly and replenishing the Earth.

We now all share a deep satisfaction that we, as humanity, will be okay.
Working Groups

1: Waste
2: Sustainable Devt
3: Transportation
4: Education

5: Energy
6: Community
7: Conservation
8: Council
Waste

Big Idea: Avoid waste, instal neighbourhood composting and address plastic packaging

Energy

Big Idea: Reduce carbon emissions in Banyule by 50% by 2020 and boost smart grid and demand response
Transportation

Big Idea: Banyule Council makes all decisions on transport planning and infrastructure spending based on the following priorities*

1 walking and cycling
2 electrified public transport
3 private Electric Vehicles
4 ICE (Internal Combustion Engine) cars and trucks

(*a reversal of the usual priorities)
Storyline Community Walks – to pave the way for impactful conversations about the climate emergency.

Protect and enhance wildlife corridor and tree canopy.

Council to Act on the Climate Emergency Declaration
Transition to a Safe Climate: creating a new story for Banyule

a community conference * Fri 4 & Sat 5 May * Macleod College
