REGULAR JOBS

If you finish your task choose a task from the following:

· Collect snails
· Weeding & watering
· Turn the compost
· Water the worm farm
· Sweep out the garden
· Match up gloves shed

1. Heat Oil over high heat until hot. Flash fry the fresh sage leaves for 30 seconds, carefully drain on Paper towels, set aside.

2. Preheat the Oven to 180C.

3. add Pumpkin, Onions, apple and garlic in a large baking tray.
My expectations in the garden:

Grade 5/6 are stronger, more knowledgeable, more co-ordinated than Grade 3/4.

Therefore, I expect more from you.

We all want to build a productive, beautiful, bio-diverse garden in a safe and enjoyable way.
