- Increased rates of non desexed dogs and cats (particularly in un-owned cats)
- Return home rates

RETURN HOME

- Introduction of Civic Compliance Officers
- New rostering system and increased coverage per day and weekends
- Integration across other business units
- Working together closely with other business and the community

RETURN HOME

- Impoundment is our last resort
- Every attempt made to locate owner
- 14 hours a day of early, day and late shift working together with administration
- Never too late to return an animal
- Website online lodgement of missing animals and impound photographs
- Equipment to support initiatives and staff engagement

RETURN HOME

Lost and found pets

If you have lost a pet contact us on 9524 3333 or complete the [report your lost dog or cat online form](#).

If your animal is registered and wearing its Council tag, in most cases your animal may be easily returned, if we can contact you.

If your animal is not registered or wearing its Council tag and we cannot obtain your details through a microchip, then your animal may be taken to the RSPCA in Burwood East. In the case that your animal is not registered, you must register the animal before it can be released to you. A fine may also be imposed.
