| Introduction |
|---|
| Council aims to be a leading organisation where everyone, regardless of gender, has equal opportunities and positive experiences. |
| |
| This survey asks about your experiences, opportunities and barriers of being a man, woman or other gender while working at Monash Council. While it is acknowledged that gender is not limited to men and women, these two terms will be used throughout this survey. |
| Information from this survey will be used to inform a new strategy focusing on: supporting men and women's health, women in leadership, promoting equal and respectful relationships between men and women, and preventing violence against women. |
| This survey will take you 5-10 minutes. The survey is due before 19 December 2013. |
| The survey is completely anonymous and confidential. No individual responses can or will be identified. |
| |
| To THANK YOU for completing this survey, at the end of the survey, you will be directed to an opportunity to go into the draw for a FREE box of Fruit and Vegetables from Berengarra school social enterprise. |
