Kerang Skate Park Redevelopment
Community Safety Focus
Community safety - Funding

• In 2013 Gannawarra Shire Council received funding from Dept of Justice – Public Safety Infrastructure fund

• The funded project centred on the redevelopment of the Kerang Skate Park – Atkinson Park Kerang
• This project aimed to provide a focus for youth activity and engagement by building ‘ownership’ of a key civic space and activating the surrounding public realm, thereby securing the area and reducing opportunities for anti-social behaviour or opportunistic crime.
Design:

- Focus on community safety, natural surveillance, active frontages, integration to other amenity of the park

- Engaging with young people in development and design was key to ensure ownership and a sense of pride over the space
DESIGN SUMMARY

KERANG SKATEPARK // FINAL DESIGN
Patchell Plaza,
47 Victoria Street
PO Box 287
KERANG VIC 3579

Ph: (03) 5450 9333
